

Joint meeting of Croatian societies for pathology and clinical cytology

23.-26. November 2023. | Dubrovnik | Hotel Kompas

5th Congress of Croatian Society of Pathology and Forensic Medicine (HDPSM)

7th Congress of Croatian Society of Clinical Cytology (HDKC)

4th Symposium of Analytic Cytology

1st Joint Symposium of Histotechnologists and Cytotechnologists

5th Congress of Cytotechnologists

Organisers

HDPSM

HDKC

Zaklada Sergej Saltykow

Technical organizer

O-tours, Zagreb

O Tours PCO d.o.o., Gajeva 6, 10000 Zagreb

Under the auspices of University of Zagreb School of Medicine.

TOPICS

- New ETR in Pathology
- Harmonising Histo- and Cytopathology in residency training programs
- Histology vs. Cytology or Histology and Cytology?
- Challenges in liver biopsies
- Challenges in Soft tissue tumors
- Uropathology
- Histo/Cytopathology of the Pancreas
- Histo/Cytopathology of Lungs
- Thyroid Histo/Cytopathology
- Histo/Cytopathology of Salivary glands
- Challenges in Breast Histo/Cytopathology
- Cytology and histology in Hematopathology
- Effusions cytology
- Gynecopathology
- Gynecologic cytology, cervical screening, HPV
- Molecular pathology – How to approach histological and cytological specimens?
- Slide seminars – Histo and Cytopathology

HANDS-ON COURSES – PITFALLS AND TROUBLESHOOTING

Basic tissue
processing

Immunohistochemistry

Guests:

Izidor Kern

Andrzej
Marszałek

Aleš Ryška

Raf Sciot

Elena
Vigliar

Fabrizio
Zanconati

Joint meeting of Croatian societies for Pathology and Cytology (1st PACIT)

NATIONAL MEETING WITH INTERNATIONAL ATTENDANCE

PRELIMINARY PROGRAMME

Day 1. (Thu) 23.11.

17:00 Arrival / Check-in

18:00 – 20:00 WG pre-congress meetings

Hematology

Lungs

Gastro

Molecular

Breast

Laboratory

Coroners

Young pathologists

20:00 - 21:00 *Introductory lecture- Quo vadis Pathology? Perspectives, challenges and treads.*

21:00 Opening

Day 2. (Fri) 24.11.

8:30 - 9:15 *Keynote lecture 1:*

HistoPathology and CytoPathology but not Histopathology versus Cytopathology
(**A. Ryška**)

9:20 - 10:30 Liver and Pancreatobiliary Tract

Chair: Ćorić, Škrtić, Štoos-Veić

10:30 - 11:00 Break

11:00 - 11:40 *Keynote lecture 2: ETR In Pathology. What is new? What is the focus on? Training in areas of specific interest*
(**A. Marszałek**)

11:40 - 12:20 *Round table: Residency program in Croatia. Is it praxis oriented? Did we lose cytopathology training?*

Moderator: Seiwert

12:20 - 13:30 HEAD AND NECK and CNS

Chair: Žarković, Pešutić, Dmitrović, Šundov, Ivanišin Barač

13:30 - 14:30 Break

14:30 - 16:00 Gynecology

Chair: Babić, Mrčela, Krivak Bolanča, Barišić

16:00 - 16:30 Break

16:30 - 18:00 Hematology

Chair: Gašparov, Gjadrov-Kuveždić

1st

Joint meeting of Croatian societies for Pathology and Cytology (1st PACIT)

NATIONAL MEETING WITH INTERNATIONAL ATTENDANCE

Day 3. (Sat) 25.11.

8:30 - 9:15 *Keynote lecture 3: Challenges in Thoracopulmonary Histo/Cytopathology* (I. Kern)

9:15 - 10:00 Slide seminar Thoracopulmonary lesions

Chair: Batelja, Jurinović, Vrabec Branica, Piljić Burazer

10:00 - 10:30 Break

10:30 - 11:25 Slide seminar Gyneco

Chair: Kos, Tomić, Vrdoljak-Mozetić

11:25 - 12:20 Slide seminar Hematology

Chair: Ilić, Rajc, Jelić-Puškarčić, Seili-Bekafigo, Beljan Perak

12:20 - 13:00 *Keynote lecture 4: Soft tissue tumors - Focus on myxoid lesions.* (R. Sciote)

13:00 - 14:15 Break

14:15 - 15:00 Slide seminar Soft tissue lesions

Chair: Dotlić, Bobuš-Kelčec

15:00 - 15:40 *Keynote lecture 5: Molecular pathology, the challenge of small samples* (E. Vigliar)

15:40 - 16:00 Break

16:00 - 16:40 Molecular pathology – Where are we now standing & going? How to approach specimens (histological, cytological, liquid)?

Chair: Šepac, Milavić, Hadžisejdić

16:40 - 17:30 Urology meets Nephrology

Chair: Krušlin, Ljubanović, Vilović, Ljubić

17:30 - 18:15 Societies meetings

18:15 - 19:00 Representatives meeting

Day 4. (Sun) 26.11.

8:00 - 8:45 National Health Screening Programs (Breast, Colon, Cervix, Lung)

8:45 - 9:25 *Keynote lecture 6: Cytology in the era of new requirements for breast cancer management* (F. Zanconati)

9:30 - 10:30 Breast

Chair: Milković-Periša, Avirović, Ramljak, Pauzar

10:30 - 10:45 Break

10:45 - 12:00 GI tract

Chair: Marušić, Fučkar Čupić

12:00 - 13:00 Break

13:00 - 13:15 Concluding remarks- Closing Ceremony

13:30 DEPARTURE

TECHNOLOGISTS PROGRAMME

Day 3

9:30 - 13:00 Hands-on, pitfalls

14:15 - 15:00 Symposium

16:40 - 17:30 Presentation of labs

Day 4

9:30 - 12:00 Hands-on, problem solving
